Poll Book Irregularities:

Both poll books were reviewed and tabulated. Tabulation of poll book totaled 792 and matched Inspectors Statement of 792 voters.

Rejected Absentee Ballot Certificate Envelopes – Corrective Action:

No rejected ballots.

Review Used Absentee Ballot Certificate EL-122:

Used absentee ballot certificates were tabulated and the count of 130 matched the Inspector's Statement. The used certificates were placed in bag number 61849 and sealed and signed.

Examine Ballot Bag:

The BOC examined one ballot bag numbered 61823 and found it to be properly sealed and signed. The bag was then opened.

Reconcile Ballot Count:

A count of the number of ballots totaled 789. This number did not match the Inspector's Statement of 792 voters. The rejected ballot envelope was marked to contain 9 rejected ballots. A count revealed 12 ballots enclosed. The BOC examined each ballot and determined that all 12 ballots were damaged and subject to being rejected. The BOC determined that the probable cause of the error in the original ballot count stemmed from 3 ballots being damaged by the machine, tabulated and then subsequently rejected.

377 presidential votes were tallied. There were 3 ballots with no presidential vote. 1 ballot previously tallied as scattering was determined to have been cast for McMullin/Johnson. The Town of Plum Lake recount concluded at 3:47 P.M. At 4:00 P.M. the County Clerk recessed the Board of Canvass recount for that day. The BOC will reconvene to recount the remaining Town of St.Germain, as soon as that Town Clerk provides the requested second poll book and absentee ballot application lists.

Respectfully submitted,
David R. Alleman
Vilas County Clerk
